Chunk #1 Plan

- Day 1
  - -Discuss loose ends and chunk format
  - –Motion Prezi (this is the bulk of the content for the chunk)
  - Homework: Velocity worksheet #1-4;
    Daily question on Schoology

- Day 2
  - -Finish Motion Prezi from Day 1
  - -Discuss Relative motion
  - –Physics 500 Lab
  - Homework: daily question on Schoology

- Day 3
  - –Physics 500 lab
    - Finish and discuss
  - —Solving word problems
    - K-U-E-S process...#8-12
  - –Homework: Daily question on Schoology; finish #8-12

- Day 3.1
  - -Any questions on #8-12 and K-U-E-S
  - -Graphing Motion Activity
  - -Velocity Worksheet #13
  - –Homework: Worksheet #13-17 and Daily Question on Schoology

- Day 4
  - —How to find the slope of a line
  - Translate position v. time graph to velocity v. time graph
  - -12Q Formative Assessment
    - Use your results to help prepare for tomorrow's Summative Assessment (20Q)
  - Homework: Daily Question on Schoology; study for first test

- Day 5
  - -Remediation
  - -Turn in:
    - Labs: Physics 500; Graphing Motion
    - Remediation work
    - Review sheet (DQ replace)
  - -20Q Summative Assessment
  - Homework: Acceleration Key terms on Schoology
